Transformational Teaching Through Storytelling

- Will explain why storytelling leaves a lasting impact.
- Will Identify the key components of an effective story.
- Attendees will practice presenting a compelling story before an audience.

About the Speakers

Michael Holoman and Gerard Droze co-founded The Board of Directors, LLC in 2010 in effort to nurture and develop manhood throughout society via mentorship and personal accountability. They've co-authored two books: The Makings of a Man and The Makings of a Dream, and have expanded their focus to include both professional and personal development.
